Optional trip protection insurance, penalties, price increases

DEPOSIT

Your deposit will guarantee your cabin on the cruise. Although it is rare, from time to time, the cruise line may add fuel surcharges or be required to change the price due to increases in fuel, port charges or taxes which are beyond their control. In this case, your price may change up until final payment is made. If the group allocation runs out the prices can also change.

OPTIONAL INSURANCE AND CANCELLATION

Once your deposit is applied, there is a penalty to cancel or change your reservation. Optional travel protection or travel insurance is available and is strongly recommended. Trip Protection is available for \$39 per person. This insurance provides you with protection while you are traveling and will cover most (not all) fees if you were to change or cancel your reservation due to a covered reason. We will charge you \$25 per person cancellation fee in addition to any cruise/air penalties or insurance.

RECONFIRM YOUR AIR AND BE EARLY

Due to recent airline industry changes please RECONFIRM your flight with the airline 24hrs in advance. Be at the airport at least 2 hours in advance. If we book your air through RCCL, seat assignments are done by the airline and are automatically based on their space allocation formula, if booked early enough. You may call the airline 2-3 weeks prior to departure to change seat assignments. It is extremely important that the names on the enclosed form are exactly as they appear on your passport, as incorrect name spelling may result in denied boarding.
